

## Press Release

On behalf of the Ministry of Health and Population, Government of Nepal, His Excellency Leela Mani Paudyal, Ambassador of Nepal to the People's Republic of China signed an MoU on Education Cooperation between Ministry of Health & Population, Government of Nepal and Central South University (CSU), Changsha, Hunan in the Embassy premises today. The University will provide scholarship in Master's Program in Advanced Nursing Practice & Medical Technology to Nepali deserving candidates each year upon the recommendation received from Ministry of Health and Population of Nepal to CSU for the coming five years starting from this year.

During the signing ceremony both side discussed on possibilities of expanding cooperation with the Universities in Nepal for research and exchanges of faculties. Central South University is one of the best in railway engineering that can provide scholarship to Nepal in railways, highways and tunnel engineering. Discussion was held on that matter also. Both sides agreed to consult and explore more areas of cooperation in the future. The Ambassador thanked the CSU for offers that will help upgrade human resource capability in health sector of Nepal.

On behalf of the University, Vice President Prof. Zhou Ke Chao signed the MoU. During the signing ceremony Dr. Biswas Shrestha, Doctoral Researcher of the University, Mr. Bai Yi, Mr. Chen Qiang, Mr. Xiang Xueyong and other executives were present from the University side. The diplomatic staff of the Embassy were also present during the ceremony.
